

Wish List 2010

Ronald McDonald House Toronto provides the simple things that put joy and normalcy back into families lives during a terrifying time. Sitting down for a home-cooked meal together. Waking up together, under one roof, ready to face the tough day ahead. Laughing and playing with their kids in one of our supportive programs. After all, we feel the best healing happens in a place like home.

Our Wish List is updated regularly as we meet new challenges in House operations and address the needs of our families. If you want to support the House through a gift-in-kind, check out the items we need most below. Thank you for your support!
